

## **100 FASCINATING FACTS YOU NEED TO KNOW ABOUT THE RETURN OF JESUS**

*By Lou Comunale*

*The following are basic, rock-solid truths based on the Holy Scriptures that will help the church better understand the prophecies of the end times. Use these facts to base your bible study on.*

1. The biblical end times, where all the prophesied events will be fulfilled, is only a period of seven years.
2. Daniel's 70 Week Prophecy has only one week (ie, seven years) left to be fulfilled.
3. Contrary to popular belief, Jesus cannot return at any time. Even Jesus must comply with the written word of God for end time events.

4. The *thief in the night* analogy has nothing to do with Jesus' so-called imminent return. It actually refers to the non-readiness of the lukewarm Christian and the unbeliever.
5. The United States will not be in a position of power or influence to stop the rise of Antichrist.
6. The Apostle Paul promises in 2 Thessalonians 2 that two things MUST occur before Christ can return: the falling away of the Saints and the appearance of the Antichrist.
7. These Saints fall away due to lack of faith and commitment to the Lord. But is it possible that many who fall away have erroneously believed that they would be taken away in a pre-tribulation rapture *before* the Antichrist appeared?
8. There *is* a way of escape for God's people, but it's *not* the pre-tribulation rapture.
9. Once the rapture occurs, there are no more Christians or Saints left on the earth - *period*.
10. Once the rapture occurs, there is no more opportunity for salvation from those on the earth.
11. Once the rapture occurs, God's wrath will be poured out upon the earth.
12. The rapture will not be done in secret; every eye shall see it.
13. Every false rapture date which came and went and failed were by definition a pre-tribulation rapture date - thereby giving pre-trib rapture date setting a 100% failure rate.
14. If the Holy Spirit is taken away from the earth, along with the church in a pre-trib rapture, as pre-trib rapture teachers say, then how could the *pre-tribulation saints*, as pre-tribbers call them, carry the Holy Spirit at all? And, how can the Two Witnesses move in the power of the Holy Spirit if the Holy Spirit has been taken away from the earth?
15. The Great Tribulation and the Day of the Lord are *not* the same thing.
16. Pre-tribbers do not know the difference between the Day of the Lord and the Great Tribulation, which is why they misunderstand the timing of the rapture.

17. Jesus returns on the Day of the Lord.
18. Jesus is only coming back once – not twice.
19. There will only be one rapture for the church body – not two.
20. There will only be one resurrection for the church body – not two.
21. Every scripture offered as proof of a pre-trib rapture is twisted and manipulated.
22. No one who reads the Bible cover to cover without input from pre-trib teachers or commentary ever comes away believing in a pre-trib rapture.
23. Pre-trib teachers say that the church is not mentioned in Revelation after chapter four, thereby concluding that the church was raptured before then. But a better understanding is that the church goes underground as the Antichrist amasses his power and rule.
24. The last four churches of Revelation (Thyatira, Sardis, Philadelphia, Laodicea) are each on the earth during the Great Tribulation.
25. Early church fathers, from Justin Martyr (100-168) to Irenaeus (140-200) to Hippolytus (160-240) to the Pastor of Hermes (40-140) all believed that the church would still be on the earth during the Great Tribulation.
26. The origin of the pre-trib rapture is only about 100 years old. When Cyrus Scofield included John Nelson Darby's erroneous pre-trib doctrine into his Scofield Reference Bible in 1909 and when that book became a bestselling bible, it set the stage for mass acceptance of the doctrine from teachers, missionaries, pastors, all of whom learned it at their seminaries and bible colleges.
27. It's not the Holy Spirit, it's not the Church, but it's Michael the Archangel who restrains the appearance of the Antichrist.
28. Jesus was not referring to the rebirth of Modern Israel when He spoke about the *fig trees* sprouting out.
29. When Jesus said that *this generation will not pass till all these things* are fulfilled, He was referring to the generation that sees the Seven Seals being opened up and fulfilled (which lasts only seven years).

30. Not asteroids, not four blood moons, not Revelation 12 astrological sign in the sky, these are not true signs of the last seven years.
31. The ONLY sign of the beginning of the end times is the appearance of the Antichrist affirming a covenant to reinstitute temple worship in Jerusalem.
32. The *time of Jacob's troubles* occurs during the Great Tribulation and will affect the lost tribes of Israel still on the earth today.
33. The *time of Jacob's troubles* will affect the United States and Great Britain and other Western nations.
34. The ONLY sign of the beginning of the Great Tribulation is when the Antichrist enters the temple in Jerusalem declaring that he is god.
35. There is no truth to the idea that the Antichrist endears himself to modern Israel with a *seven-year peace treaty*.
36. Never try to interpret or corroborate the Holy Scriptures by seeing how other religious works, like the Koran, interpret the end times. Do not create a Chrislamization of eschatology.
37. Jesus reveals the meaning of the Seven Seals, both in Revelation and in the Olivet Prophecy.
38. The entire period of Daniel's last seven years is not called *the tribulation period* in scripture. Jesus calls the first 3 ½ years the *beginning of sorrows*. Jesus calls the last 3 ½ years the *Great Tribulation*.
39. The Seven Seals are totally fulfilled within Daniel's *last week* of seven years.
40. The Seven Seals are opened in a chronologic order. They cannot be opened out of order. Each seal will be opened only after the previous seal was fulfilled.
41. The First Seal is opened when the Antichrist affirms a covenant of temple worship in Jerusalem.
42. The First Seal is false Christs, specifically at the appearance of the Antichrist.
43. The Second Seal is Wars, which naturally follows the Antichrist's rise to power.

44. The Third Seal is Famine, which naturally follows global conflict.
45. The Fourth Seal is Death, which is the culmination of the havoc wrought by the previous three seals.
46. The Four Horsemen of the Apocalypse are the first four seals of Revelation: Antichrist, Wars, Famine, Death.
47. Horsemen have typically been used as ancient methods of communicating warnings to nearby towns and villages. Thus, one after another, these Four Horsemen are warning the world of the horrors of the next seal, which Jesus describes as the “worst time of trouble the world has ever known.”
48. The Fifth Seal is the Great Tribulation.
49. The Great Tribulation should last for 3 ½ years, but is in fact cut short, at the Father’s discretion, by the return of Jesus on the Day of the Lord.
50. The reason why *no one knows the day or the hour* of His return is because the Lord *cuts short* the Great Tribulation, which was supposed to last 3 ½ years.
51. The elect in Matthew 24 are not Jews, but they are the remnant church of God.
52. The Sixth Seal is the Signs in the Sun, Moon and Stars.
53. No one will be able to miss the rapture and the return of Jesus, because God, in the Sixth Seal, supernaturally darkens the universe, thereby giving the Lord Jesus, when He bursts forth in the power of His light in the Seventh Seal, the greatest arrival spectacle of all.
54. The Seventh Seal is the Day of the Lord.
55. The Seventh Seal comprises the Day of the Lord and the subsequent release of Seven Trumpet Judgments and Seven Bowl Judgments.
56. The Day of the Lord does not last for a 24-hour period of time, but actually several months.
57. The Sixth Seal of supernatural signs in the heavens separates the Great Tribulation from the Day of the Lord.
58. When scripture says that Christians are protected from and escape the Lord’s wrath, it is talking about God’s wrath poured out on the Day of the Lord.

59. While God promises Christians that they shall escape the wrath of God, the Word of God also promises that we shall go through tribulation.
60. The wrath of God is released, not during the Great Tribulation, but on the Day of the Lord.
61. The scriptures never call tribulation the *wrath of God*.
62. The Great Tribulation can be best summed up as Satan's wrath against God, His people and the world.
63. Every time the Word speaks about *the day, the day of the Lord, the wrath, the day of His wrath, the end, the end of the age*, it is always talking about the Day of the Lord.
64. It's not America, it's not Mecca; but Mystery Babylon is the city of Jerusalem when the Antichrist rules from there.
65. Like Rome, Jerusalem is also a city of seven hills.
66. Every time the book of Revelation mentions that "great city," referring to Mystery Babylon, it is talking about Jerusalem.
67. As Revelation calls Mystery Babylon a mother of harlots, the books of Isaiah, Ezekiel and Jeremiah have many scriptures that call Jerusalem a "harlot" and "whore" as well.
68. The Jews of today are still awaiting their Messiah; the Antichrist will come as a counterfeit messiah and will be Jewish.
69. The Antichrist will rise as a mighty military leader in Modern Israel.
70. The world will be deceived by the Antichrist as this military leader vanquishes Israel's enemies.
71. The Antichrist will come as a counterfeit of the real Messiah, complete with a "death" and apparent "resurrection."
72. The Antichrist will control the world's economy, maintain peace through its military and command everyone to worship him.
73. The office of the False Prophet is already established prominently in the world today.
74. The return of Jesus, the rapture and the wrath of God go together in scripture, occurring on the Day of the Lord.
75. Everyone living at the time of the Great Tribulation will have to either submit to the Antichrist or flee.

76. The *lie*, or *strong delusion*, that 2 Thessalonians alludes to is the lie that people will believe that the Antichrist is God or the Messiah.
77. Jesus emphasized time and again for the church to not be deceived. Therefore, when He says that “if it were possible the very elect would be deceived,” He means that Satan will stop at nothing to deceive the elect, and if there’s any open door the enemy could use to cause deception, he will.
78. Many of God’s people will give glory to God by giving up their lives.
79. Many of God’s people will give glory to God by being miraculously protected and miraculously provided for during the Great Tribulation.
80. God promises to protect His people in the Philadelphia Church.
81. God promises to allow His people in the Laodicea Church to undergo martyrdom.
82. Because the church as a whole has embraced the pre-trib teaching, they’ve missed out on the scriptures that show God’s protection of His people during the Great Tribulation.
83. The Mark of the Beast will be a chip implanted within a person’s hand or head that will control the way he or she spends money.
84. Anyone taking the Mark of the Beast will be submitting his or her soul to the Antichrist, and by extension the Devil.
85. Those who receive the Mark of the Beast will all go into the Lake of Fire.
86. The Ten Kings (from Europe) who hate the Whore (Mystery Babylon) will be used by God to bring devastation to Jerusalem just before the Lord returns to the Mount of Olives.
87. The 144,000 sealed by God are not saints. They are literal physical descendants of each of the tribes of Israel (omitting Dan), thereby allowing this remnant of Israel to be protected during the Lord’s wrath on the Day of the Lord and to enter into the New Millennium.
88. The 144,000 are called the *first fruits* for a reason – they become the first humans to become spiritual sons of God as an exact

example for all other humans to emulate during the millennial reign of Christ.

89. During the millennial reign of Jesus Christ, there will still be humans born that will need to overcome their flesh. They will be taught the things of the Lord by the sons and daughters of God, who were already glorified in the rapture of the previous age, and the humans in Christ's millennium will also be offered eternal life.
90. All of the miracles you find in the Holy Scriptures showing where God's people were miraculously protected, preserved, fed, healed and strengthened to do glorious works of the Lord will all be quite evident during the Great Tribulation.
91. Learn to hear God's voice now, for God desires that we should have instant answers from Him for immediate concerns.
92. The examples that Jesus set for us in the Bible are for us today, and remind us that He is able to multiply a few loaves and fish to feed thousands.
93. A Christian is bought with the price of Christ's blood and their lives are not their own anymore.
94. Those who endure to the end shall be saved.
95. The promise for Christians to *pray that they may escape all these things* is not a promise of a pre-trib rapture, but a promise of protection during the Great Tribulation.
96. God's people will do exploits.
97. The only clear advice we can give to anyone living during the Great Tribulation is for each individual to hear the voice of the Lord for themselves for provisions, for where they need to go for protection and what they need to do to fulfill God's will.
98. The love of God will be very much in evidence towards His people throughout the time of tribulation.
99. The two primary characteristics in man during the last days will be fear or faith? Which will you have? Our faith will be perfected in the last days that a fabricated escape in a pre-trib rapture could never do.

Lou Comunale began his career as a news analyst working in the news departments of well-known news outlets, among them NBC, MSNBC, ABC, and CBS. In his private life, he was also an analyst of biblical prophecy; when the call of God prompted him to combine the two, the foundation was laid for the volume you now hold in your hands.

For nine years, he produced the TV program, “Power for Life with Matt Sorger.” Once that work was over, the Lord prompted Lou to write this book because of the urgency of the hour and the need to correct end-time doctrinal error.

Presently, Lou is editor of the News2morrow.com website as well as a producer of the Mindshift teaching videos, the most popular episode being, [“John Paul Jackson Prophecy on President Donald Trump.”](#) In that episode, produced in January 2016, the Lord showed Lou that Trump was going to be president, that God was not through with America and that He had His hands upon Trump.

Lou has appeared on many radio and internet programs, bringing his fresh perspective on biblical prophecy. Speaking engagements can be arranged by contacting Lou Comunale by clicking here <mailto:mediamantle@gmail.com?subject=Saw Your 100 Facts List>
